JAPAN NAGOYA

Second edition of Beautyworld Japan Nagoya ready to kick off with 230 exhibitors and three new zones

Nagoya, 19 June 2024. From 29 – 31 July 2024, the Nagoya edition of Japan's largest B2B beauty and wellness trade show will open its doors to distributors, buyers and beauty professionals from Tokai and beyond. With last year's successful debut attracting 222 exhibitors and 15,586 visitors, the second edition will welcome 230 exhibitors and add three new zones. 'NEXT', a new dedicated area for start-up companies, will showcase around 30 brands. Covering everything from women's health to cosmetics and even beauty-enhancing food, the fair will provide valuable opportunities to reconnect, establish new business relationships, and explore numerous products, services and innovations.

Responding to positive feedback from both exhibitors and visitors at other Beautyworld Japan trade fairs, the Nagoya edition will introduce three new zones. 'Fem more' will present the latest information, products and services for solving women's health issues. Meanwhile, 'Wellness & Beauty' will showcase products such as nutritional ingredients that support natural beauty from within, and 'Tasty' will display ideal foods and seasonings that taste delicious and offer various beauty benefits.

With the three debut zones, the show will now comprise seven product zones in total, including 'Cosmetics', 'Nail & Eyelash', 'Hair' and 'Beauty Equipment'. In addition, a special exhibition area for new brands, 'NEXT', will provide a platform to around 30 companies presenting their brands for the first time in the Tokai region.

Beyond suppliers' booths, the trade fair will provide valuable opportunities to learn from prominent speakers in beauty-related fields. Across three stages, it will feature 33 seminars and demonstrations covering the latest information and treatments for aesthetics, hair, nails, eye, femtech/femcare, as well as techniques for salon management and customer acquisition.
